

# Color Belt Graduation Payments

Fees are required to advance to the next color belt, and they depend on your current belt and program. Color belt graduations are every three months, but there are also opportunities to advance during summer and winter camps. If you have paid for a color belt graduation and are unable to attend the event, you will test in your next class.

We offer four ways of paying for graduations. Please indicate your preference below.

- ☐ **I'd like to set up automatic payments.** Three weeks prior to the graduation date we will automatically deduct graduation fees from your card on file. We only need your credit card, debit card, or bank account information (below).
- ☐ **I want to pay off my remaining graduations.** You will receive a 20% discount on testing fees if you pay off your remaining graduations up to and including 1st degree black belt recommended (i.e., red/black belt).
- ☐ **Notify me each time.** We can still run a payment for each graduation. We will notify you when graduation fees are due.
- ☐ **I've already paid in full.** You have already paid off your graduations, and automatic payment is not necessary.

I understand, by signing below, I authorize Raberge's ATA Leadership Martial Arts to deduct the appropriate fees required for grade advancement for each color belt graduation.
